

HEAVY-DUTY INDUSTRIAL GRADE PHOTOLUMINESCENT STAIR NOSING'S

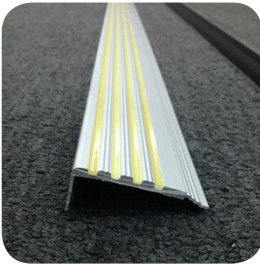

Heavy-Duty industrial grade photoluminescent stair nosing's strips are designed with recessed glow channels and thick ribbed aluminum supports for heavy foot traffic environments. Super-bright StepGlow® Photoluminescent channels have 2 times the sustainability in visual luminance when compared to standard commercial grade strips.

SPECIFICATIONS

Base Material	Aluminum
Insert	StepGlow® high luminance mix
Luminance	62 mcd/sqm after 1 hour
Daylight color	Light yellow
Glow color	Yellow-green
Safety	Non-toxic, non radioactive, non hazardous
Lifespan	25 years

OVER 25 YEARS LIFE

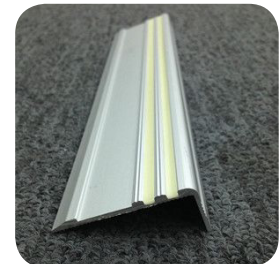

HIGH LUMINANCE
